ICS 100.b & ICS 200.b Training

ICS 100, Introduction to the Incident Command System, introduces the Incident Command System (ICS) and provides the foundation for higher level ICS training. This course describes the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the National Incident Management System (NIMS)

ICS 200 is designed to enable personnel to operate efficiently during an incident or event within the Incident Command System (ICS). ICS-200 provides training on and resources for personnel who are likely to assume a supervisory position within the ICS.

Registration

In order to receive proper proof of completion, responders need to **first register** with the Federal Emergency Management Agency that offers this training.

1. Go to https://cdp.dhs.gov/femasid
2. Click "Register for FEMA SID"
3. Fill out the correct info, and click register on the bottom.
4. After you've successfully registered, save your FEMA SID. You can also click "Download your FEMA SID card" which will let you print your information out.

For ICS 100b training:

1. Go to https://training.fema.gov/is/courseoverview.aspx?code=IS-100.b
2. Select "Interactive Web Based Course" in the right hand column. It'll be listed under the "Take this course" box.
3. Follow the directions to complete the course.
4. After taking the interactive course, you'll have to take the final exam. Enter your FEMA SID information and last name, and take the exam.
5. After completing the exam, if you've passed they will instruct you to wait for an email containing your certificate.
6. Email that certificate to operations@gemru.org with your name, and the specific training that the certificate pertains to.

For ICS 200b training:

1. Go to https://training.fema.gov/is/courseoverview.aspx?code=IS-200.b
2. Select "Interactive Web Based Course" in the right hand column. It'll be listed under the "Take this course" box.
3. Follow the directions to complete the course.
4. After taking the interactive course, you'll have to take the final exam. Enter your FEMA SID information and last name, and take the exam.
5. After completing the exam, if you've passed they will instruct you to wait for an email containing your certificate.
6. Email that certificate to operations@gemru.org with your name, and the specific training that the certificate pertains to.
